

Art: 5th & 6th Grade

Dear parents,

I am very happy to have your child in my art class this quarter/semester. It is a pleasure for me to get to work kids in the 5th and 6th grade! We will have fun being creative while using many different materials like oil pastels, colored chalk, watercolors/paper, drawing pencils, art gum erasers, yarns, fabrics, sand paper, glue, acrylic paints, tempera paints, India ink, straws, charcoals, metallic markers, regular markers, colored pencils, ink pads, etc.

As with other lab type courses that use consumable materials, the middle school requests that each student pay a “consumable materials” fee of \$10. This fee will be used for all consumable art supplies that are continually being ordered and replenished at the end of the school year.

I appreciate your help in sending this fee to the school as soon as possible. Please make checks out to Freeman Middle School or you may pay with cash. (Checks are preferred though.) Students should bring their fee to our middle school secretary and she will credit your child’s account. It is very helpful if the fee could be turned in by:_____

If you have any art supplies that are **abandoned in a lonely box in the corner of your basement, I can probably use them! It’s amazing how one man’s junk is an art teacher’s treasure! 😊*

***If you have extra yarn (of any color) that you don’t plan to use, I could really use it this year.**

This year I’m requesting donations by gender:

BOYS---Donations of **Disinfecting Wipes**: I am really trying to keep tables and supplies clean and germ free so we can all stay healthy all year long!

GIRLS- Donations of **Gallon or Quart Size Zip Lock Baggies**. I use these to help keep students’ materials separate, labeled and organized.

**If you would like to volunteer once a week or even once a month, I definitely could use you. Whatever time works best for you works fine with me. I have a lot of prep jobs that I need help with. If I know you are coming, I can plan for you. 😊*

Questions??? Please feel free to call me. My Freeman number is 291-7301 and my voicemail extension is 307 or email me at dbriggs@freemansd.org .

Thank you so much for all your support!

Sincerely, Denise Briggs
