Parent CEE Survey

We are partnering with the Center for Educational Effectiveness (CEE) to administer the 2024-2025 Educational Effectiveness Survey (EES). Parents are asked to complete this survey to help us better understand the educational effectiveness of the Freeman School District. The parent survey link is below. This survey will take less than ten minutes to complete and you can complete it at any time between now and April 9, 2025. You will be asked questions regarding the educational effectiveness of the Freeman School District. We will use this information to assess our areas of strength and opportunities for growth. Thank You!

Sincerely,

The Freeman Leadership Team

Important Change to Morning Entry Time After Spring Break

We want to inform you of an upcoming change to our morning schedule that will take effect after Spring Break. Beginning on April 14th, all middle school students will remain outside until **8:00 AM** before entering the building.

This adjustment allows our staff to complete their morning meetings without interruption, ensuring they are fully prepared for the school day. We appreciate your support as we implement this change to create a more structured and effective start to the day for both students and teachers.

If your child arrives early, please remind them to dress appropriately for the weather, as they will be outside until the doors open at 8:00 AM.

Thank you for your understanding and cooperation in helping us maintain a productive learning environment. If you have any questions or concerns, please feel free to reach out to the middle school office at (509) 291-7301.

Spring Student-Led Conferences – April 3rd and 4th. No School for Students.

Students have been working hard over the last four Friday Advisory periods to prepare their presentations for Student-Led Conferences. These conferences give students the opportunity to reflect on their progress, set goals, and take ownership of their learning. We hope you are excited to see their efforts and encourage you to ask thoughtful questions to help guide their reflections. Your support and engagement play a key role in holding students accountable and making this experience meaningful!

If you have not yet scheduled your conference, contact the FMS office. We can assist you in accessing Skyward and/or schedule your conference. Your student's conference is graded through their ELA class based on preparation and communication skills.

- **While you are here for conferences – remember to check:**

- Lost and found in the K-8MPR
- Your Student's Locker (7th and 8th grade PE locker as well) for items that can be thrown away or taken home.

Building Healthy Routines

Pre-teens need good sleep, healthy food, and exercise to feel their best. Staying up late and eating too much junk food can affect their mood and focus. A balanced routine helps them feel strong and ready for the day.

👉 **Try This:** Set a regular bedtime and encourage family meals. Lead by example with healthy habits!
