THE FRIDAY FLYER

Weekly Newsletter of Freeman High School

509-291-3721

A MESSAGE FROM THE PRINCIPAL

Hello Scottie Parents/Guardians/Families!

Conducting my weekly classroom visits is always a highlight of my week; this week, visiting the choir class was especially enjoyable – to sit and listen to their work, to observe the passion with which the director, Mr. Jydstrup teaches, and to note the improvement of a particular section of students is incredible. As you're likely aware, our Boys Basketball team is District Champions and readying to participate in the State 2B Basketball Tournament starting tonight! After the game tonight, we will better know when the team will play next week. Please be on the look-out for an email from FHS on Monday morning, March 3, regarding the options and processes for students wanting to attend any Freeman games that take place during school hours. As mentioned last week, please also be aware of future emails inviting you to parent-student-teacher conferences on April 3rd and 4th - Mrs. Lagreid has worked hard to create a new scheduling process that will hopefully be more convenient and efficient for you. I hope that you and your family enjoy the sun this weekend!

Go Dawgs!

Principal, Freeman High School

SPRING SPORTS BEGIN MONDAY!

Track, Baseball, Softball, Golf and Tennis begin after school on March 3rd. Please go in to Final Forms and double check that you have selected the Spring Sport which your student plans to play (only select 1 Spring Sport). This is how we know how many athletes to expect and this is the main form of coach/parent communication before the season begins. All online forms will also need to be completed by both parent and student. We also need a current sports physical on file for your student in order for them to even participate in the first practice. You can check the status of your student's physical in Final Forms as well.

STCU Donates Video Board to Freeman High School

In partnership with

We are thrilled to share that a brand-new videoboard was installed in the main gym at Freeman High School this past week! This incredible addition was made possible thanks to the generosity of STCU, who fully funded the project - just as they have done for multiple high schools in our region. Their continued commitment to our community is truly appreciated. This videoboard is a fantastic enhancement to our already incredible campus and we can't wait for you to experience it at future events held in the FHS gym! We also want to extend our gratitude to Daktronics and Baldwin Signs for their contributions to this project.

Daily Happenings & General Information

We understand that communication is key. Our primary form of communicating with you as parents/guardians is through this Friday Flyer each week. Here is some basic FHS details...
